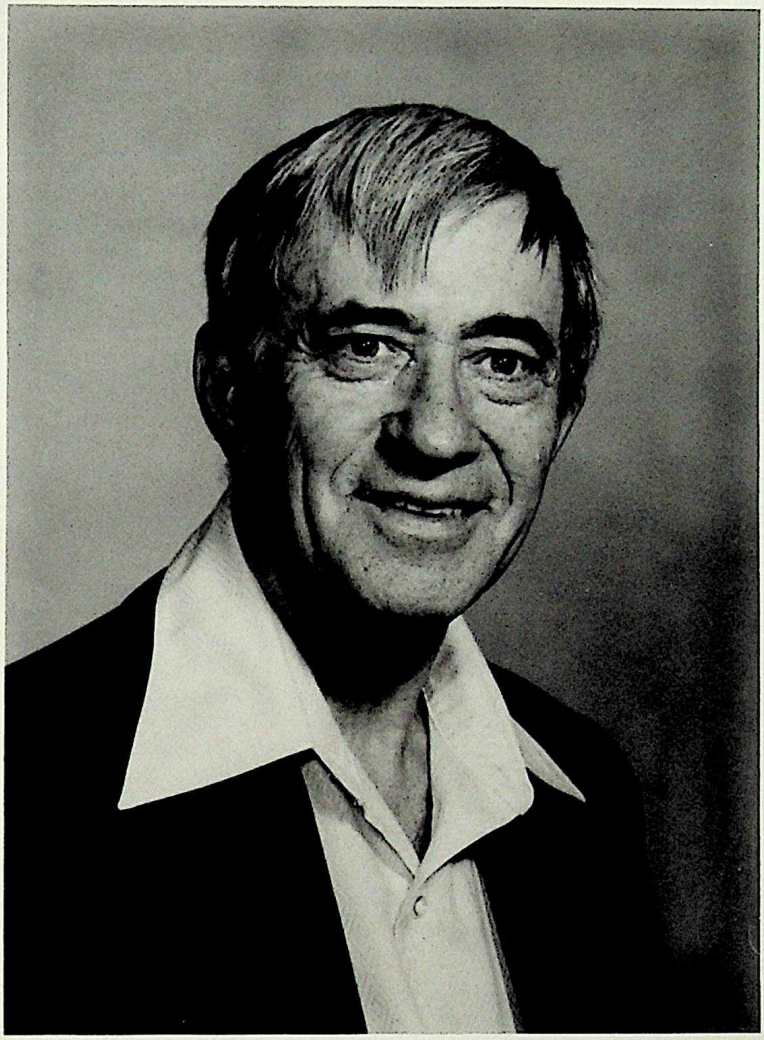
CYNTHIA LATHAM

2014.17.18



HAROLD CALVIN FRICKER
1925 - 1985

With the passing of Mr. Hal Fricker, Highlands students, staff and parents have lost a talented educator and a good friend.

Mr. Fricker taught in Edmonton Public Schools from September 1965 until his untimely death on Friday, March 1, 1985. Since September 1973, Mr. Fricker had acted as counselor and taught mathematics, science and computer literacy at Highlands Junior High School; he enriched the lives he touched.

He will be sorely missed.

PRINCIPAL'S MESSAGE

A school year book serves as a meaningful summary of the life of a school during a specific year. In the future it will serve as reminders of friendships, events and experiences that have had a part in making us what we are.

Each picture represents but a moment in the on-going events of the school. Taken all together they portray school life over the whole year. The photographs give evidence of a good deal of effort and lasting contribution on the part of students and staff. They indicate the satisfaction that comes from a good job well done.

Our appreciation and sincere thanks to all those who have so generously contributed of their time and effort effort to make this year book a success.

To those who are leaving Highlands we wish future success.

R.D.Mackenzie, Principal
Highlands Junior High School

June 1985

PRESIDENT'S MESSAGE

As president of the Student Council, I would like to take this opportunity to thank the administrators, the teaching staff, and the secretaries for their devoted time and effort that guided us throughout the year. I also wish to thank the student body for their highly spirited participation that made this year a tremendous success. Finally, I would like to thank the Student Council executives for their enthusiastic time and effort in organizing some of our most memorable activities and dances, such as the Halloween dance which probably had the highest attendance of dressed-up participants ever recorded at a Highland's Halloween dance.

I would personally like to thank all of you that gave me a chance to serve you as president of the Student Council. I have really enjoyed working with the student body. This certainly has been the best of all the three years that I have been here.

It takes the support and cooperation of everyone to achieve such an accomplishment. I hope that you have all had an exciting and memorable year and I encourage you to continue that active role in your school in the future years.

Best of luch in all you wish to achieve!

Jim Tran
